01.08.2020

Dear Parents,

The School began the academic session 2020-2021 well in advance using the online facilities. 'Learning must go on' was the motto behind these initiatives. Our teachers and students have well adapted themselves to the new way of teaching and learning process. Parents are also playing a vital role in this process of education. I issue this circular to inform you about the changes that we are bringing into the online academics from 4th August 2020 and about Periodic Test 1 to be conducted in the month of August.

1. Modification in the Online Academics:

A few changes are brought in to provide a better learning facility to our students. The following will be the changes:

- ❖ There will be changes in the online live class time-table.
- ❖ New teachers will be added to the teaching faculty.
- ❖ One more division will be added to some of the classes.
- ❖ Google Classroom facility will be added to the Online Academics.
- ❖ TATA Class Edge Content will be made available for all the classes from Nursery to X.

2. Periodic Test 1

It is also the time of evaluation. The written assessment of **Periodic Test 1** (PT 1) will be conducted online using the possibility of Google Forms. Teachers will instruct and give sufficient practice to the students in the coming days. The Multiple Assessment, Subject Enrichment Activity, Portfolio Assessment, etc., will be done during the online live sessions. PT 1 for Class X is scheduled from **10th August** and for Classes I to IX it will begin from **17th August**.

The school assures you of your child's learning that must go on even in this difficult times. We also appeal to your generosity to pay the school fees. Our teachers are working from home to ensure that your child learn something new every day. We are not in a position to pay their salary as the fee collection has come to a standstill. Let us hold our hands together to support the progress of the child.

Yours Sincerely,

PRINCIPAL
