Maharashtra, INDIA. Office : 09422847387 / 0253 - 2971222 , 2971221, 2971224

School Disaster Management Committee

Objectives:

A School Disaster Management Committee is responsible for planning, implementing, and coordinating disaster preparedness and response activities. The primary purpose of the committee is to ensure the safety and well-being of students, staff, and visitors in the event of natural disasters, emergencies, or crises. The School Disaster Management Committee plays a vital role in ensuring the safety of everyone within the school premises during unforeseen events. The committee must take disaster preparedness seriously to protect the lives and well-being of their students and staff.

Responsibilities:

- **Risk Assessment:** Evaluate potential risks and hazards in and around the school, considering local geography and climate. This includes assessing the school's vulnerability to earthquakes, floods, fires, severe weather, and other potential disasters.
- **Developing Plans:** Create and maintain a comprehensive school disaster management plan that outlines how the school will respond to different types of emergencies. This includes evacuation plans, communication protocols, and strategies for ensuring the safety of students and staff.
- **Training and Drills:** Organize regular training sessions and emergency drills for students and staff to ensure they are familiar with the procedures and can respond effectively during a crisis.
- **Resource Management:** Maintain a stockpile of emergency supplies, such as first aid kits, water, non-perishable food, and blankets. Ensure that these supplies are up-to-date and accessible.
- **Communication:** Establish clear communication channels for sharing information with students, staff, parents, and the wider community during emergencies. This may include using a variety of communication tools, such as text messages, social media, and public announcements.
- **Coordination with Local Authorities:** Establish connections and protocols for collaboration with local emergency responders, such as police, fire departments, and medical services.
