Anti-Bullying Committee

Objectives:

School Anti-Bullying Committee focuses on preventing and addressing bullying behaviours among students. Bullying can have serious and long-lasting effects on the well-being of students. This committee creates a safe and respectful school environment. The School Anti-Bullying Committee plays a critical role in fostering a safe, respectful, and inclusive school environment. By addressing bullying behaviours and educating the school community about the consequences of such actions, these committees work to ensure the well-being and mental health of students, promoting a culture of respect and empathy within the school.
